Intermediary or Umbrella Company Pay Information

You are being paid through an intermediary or umbrella company: a third-party organisation that will calculate your tax and other deductions and then pay you for the work undertaken for the hirer. We will still be finding you assignments.

The money earned on your assignments will be transferred to the umbrella company as part of their income. They will then pay you your wage. All the deductions made which affect your wage are listed below. If you have any queries about these please contact us.

Your payslip may show you as an employee of the umbrella company listed below. Agency workers placed in roles working with, or caring for, vulnerable persons cannot opt out of the Conduct Regulations. This document is for information only and does not qualify as an agreement for opting out of the conduct regulations.
